

Minutes Of Meeting

Date - 29/12/23

Timing - 9:00 PM

Venue - Google Meet

Main points that were discussed in the meet :

- Seniors discussed the mistakes that we have committed while posting the poster and content on the social handles, and how we can avoid them.
- It was also discussed that the task of bringing sponsors for the club events should be distributed among the whole 2k22 team evenly.
- Each member has to think and come with an idea about the events, and the best ideas will be selected for execution in the Tech Fest. Deadline for this is 10th of Jan,2024.
- The Design Team was assigned with the task to update the Events Calendar according to the events in the year 2024.
- 2k22 members have to create an excel sheet and mention the details:
 - Their Name.
 - Their Domain.
 - Which topic currently they are learning in their respective domain.
